## JOHN B. BOYD

RECEIVES INAUGURAL  
TRUE GRIT AWARD

Founding firm partner, John B. Boyd, received the first ever “True Grit” award from the Missouri Association of Trial Attorneys (MATA). The award is given to a Missouri lawyer who has a reputation of professionalism, ethics, grit, legal acumen and a career of accomplishments in service of injured workers and their families.

Congratulations John!

# LGBTQ+ Rights Are Workers' Rights

June is Pride Month and LGBTQ+ people still lack basic federal legal protections in the workplace, which make them vulnerable to recent appalling and shameful actions by state legislatures. We have no tolerance for hate in our movement.

The labor movement is fighting back. And the best tool is a union contract. Union contracts are legally enforceable in every state. They protect LGBTQ+ workers from harassment and can mean real progress for workers and our families to gain health care, savings, a future, and so much more.
